

# Dynic USA Corporation

## MISSION STATEMENT

Dynic USA Corporation is quality in many forms:  
People, Products, and Performance

**People:** We are a team of quality individuals, selected from the global community, with the common goal of contributing to the success of our customers and our organization.

**Products:** We provide personalized service and high quality products that can be customized to meet current and future market needs.

**Performance:** We achieve leadership in customer service and product value by continuously improving our quality systems.

**We Value:**  
**Integrity, Respect, Fairness, and Humor**
