

SIRIUS® QUICK REFERENCE GUIDE

Product Name S2® Stellar Wax	<mark>Type</mark> Wax	Description FDA-listed, Food- Safe, 12 IPS, Best Anti-Static Backcoat	<mark>Cost</mark> \$	<u>Compatible Media</u> Uncoated, Coated, & Gloss Papers Synthetics (Polypropylene & Polyester)	
Applications Include: General purpose printing; Shipping, box, & production control labeling; Inventory; Retail labels; Ingredient labels; Print & Apply applications; Compliance labeling; Pharmaceutical, medical, & healthcare labeling; RFID.					
Product Name DuraFlex DF322	<u>Type</u>	Description Provides increased durability and label flexibility	<u>Cost</u> \$	<u>Compatible Media</u> Coated & Synthetic Papers Synthetics (Polypropylene & Polyester) Films (PET)	
Applications Include: General purpose printing; Shipping, box, & production control labeling; Preprinted tag & label stocks; Inventory; Hang tags; Retail labels; As tracking; Shelf & bin labels; Ingredient labels; Print & Apply applications; Compliance labeling; RFID.					
<mark>Product Name</mark> LA3	<mark>Type</mark> Wax-Resin	Description Food-Safe	<mark>Cost</mark> \$\$	Compatible Media Coated, Uncoated, & Synthetic Papers Synthetics (Polypropylene & Polyester)	
Applications Include: Sporting goods; Clothing care labels; Hang tags; Product ID labels; Shipping, box, & production control labels; Preprinted tag & label stocks; Inventory; Pharmaceutical, medical, & healthcare labeling; Retail labels; Asset tracking; Shelf & bin labels; Compliance labeling; Horticulture, lumber, & nursery labeling Print & apply applications.					
<u>Product Name</u> LA8	<mark>Type</mark> Wax-Resin	Description For extreme environments Food-Safe	<u>Cost</u> \$\$	Compatible Media Uncoated, Coated, & Gloss Papers Synthetics (Polypropylene & Polyester) Films (PET & PVC)	
Applications Include: Inventory; Shipping, box, & production control labeling; Asset tracking; Pharmaceutical, medical, & healthcare labeling; Retail labels; Hang tags; Shelf & bin labels; Horticulture, lumber, & nursery labels; Laboratory vials; Compliance Labeling; Chemical & hazardous materials labels.					
••		J		Compatible Media Synthetics (Polypropylene & Polyester) Films (PET & PVC) Iber, & nursery labels; Warning labels; Tamper evident; Industrial	
applications; Han	g tags; Automotive; Elect	ronic components; Hazardous mate	rials labeling.
